

Dear Valued Supporter,

We are very excited to announce that the 6th Annual SPSA Golf Outing will be taking place at the Carmi Country Club on May 20th, 2023.

The world has been a wild place over the last few years, but we are thrilled to see everyone come together again and continue to help local families! This year, all donations will be going to 2-year-old Raelynn Rogers and her sister 12-year-old Roseabella Martisko. These sweet young girls lost their mother, Samantha Blake, in a tragic house fire this March. The sisters suffered severe burns and are currently still being treated at the Mercy Burn Center in St. Louis. Raelynn and Roseabella's aunt, Georgiana Chambers is currently staying in St. Louis to be with the sisters as they recover; in doing so Georgiana has been forced to take an unpaid leave of absence from her employer. Georgiana herself has 13-year-old twin boys at home (Trenton and Troy) who are being looked after by other family members while she is in St. Louis with the girls. This situation is truly heartbreaking, and we want to do everything in our power to provide some financial relief to this entire family. Details on how to donate and get involved are listed below.

Since the inception of SPSA we have been able to give a total of over \$157,000 to local families in need. Without all of you, none of this would be possible; so, from all of us at SPSA, along with the families whose lives we've touched, Thank You!

Please join us on May 20th at the Carmi Country Club. We are looking forward to a full day of golf, refreshments, silent auctions, entertainment and much more. Most importantly, we are excited to spend the day with an amazing community of friends who make all this possible.

From the bottom of our hearts, thank you for your continued compassion and generosity.

Sincerely,

## The Stay Positive Stay Aggressive Team
